**SEPT. 14**

1963

**OSKALOOSA, IOWA**

(SOUTHERN IOWA FAIRGROUNDS)

At left Mrs. Bette Schon, granddaughter of Thomas Bray, poses with ROYAL TALISMAN 8TH, herd sire at Braywood Farms. This bull has sired numerous champions and top sellers at Central States Sales. A number of sons will sell as club calves.

## GENERAL INFORMATION

**TIME** — Sale will be held Saturday, September 14. Sale will start at 12:30 p.m.

**LOCATION** — Southern Iowa Fairgrounds, northwest section of Oskaloosa, close to primary road 92 and 163.

**TERMS** — Terms of this sale are cash unless other arrangements have been made with consignor from which you purchase and the sale manager is notified.

**GUARANTEE** — All cattle are sold subject to a 60-day re-test for tuberculosis if kept isolated, unless going into a Federal Accredited herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for tuberculosis unless they come from an accredited herd. The cattle have been tested for Bangs within 30 days or have been calfhood vaccinated unless otherwise stated.

Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller, and, if after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of the sale are guaranteed to be breeders. Heifers should not be served by old or heavy bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

**LIABILITY** — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

**LUNCH** — Lunch will be served on the grounds by the ladies of the Central Reform Church.

**AUCTIONEERS** — Tom Sherlock, Harvey Neiderhisar, and Adrian Meierotto.

**SALE MANAGER** — Bill Stunkel, 16 South Locust Street, Aurora, Ill.

**REGISTRATION CERTIFICATE** — A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each calf sold beside its dam and for each unborn calf sold in dam.

A Shorthorn or Polled Shorthorn cow herd is always a good investment. Shorthorn cows have healthier, huskier calves that gain quickly. How would you like to have a nice set of red calves like these on your farm?

## THE CENTRAL STATES SALE

# *“Sale of the Money Makers”*

Oskaloosa, Iowa

SATURDAY, SEPTEMBER 14

11 BULLS

19 FEMALES

30 CLUB STEER CALVES

There is a reason why this sale has become known as "The Sale of the Money Makers." It is because the Central States Shorthorns and Polled Shorthorns are offered in "working" condition . . . ready to go into your herd and make money. You are not paying for fancy dress but for bulls and females in strong breeding condition and of dependable bloodlines. Be sure to attend this sale.

Shorthorn steers have scored impressive victories in 1961 and 1962. Shown here is Carole Minish, Clio, Iowa, with her 1961 Iowa State Fair Grand Champion steer over all breeds. This 830-pound Shorthorn sold for a record \$2.25 a pound.

## CLUB CALVES . . .

We have promises for nearly 30 steer calves suitable for 4-H and FFA work. These calves are being consigned by reputation herds and are sired by reputation bulls. Calves from these herds have won championships at local and district steer and heifer shows.

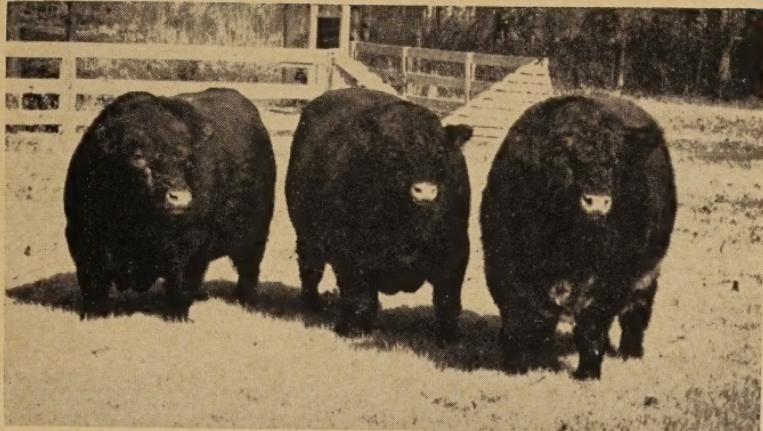

Until further notice, the owner of any Shorthorn or Polled Shorthorn club steer or club heifer purchased in a Central States sale which wins a breed championship in any 4-H or FFA show will, upon notification of association secretary Mrs. Wayne Farnum, Victor, receive \$10 from the Central States Ass'n.

On Friday evening, September 13, at 6:30 p.m., breeders will meet at Molly's Cafe (the former Sale Inn) located in the northwest part of Oskaloosa near the Lisk Sale Barn. Join us for supper and the business meeting.

**FLASH** —The 1963 Iowa State Fair interbreed grand champion steer was a Shorthorn shown by Sally Haas, Mechanicsville. This steer was bred by Don Johnson, Iowa City, consignor of several club calves to this event.

Polled Shorthorn bulls like these have much to offer the commercial cattleman. Wouldn't a load of calves of this conformation and thickness be popular with feeders?

## **Two More Bulls To Sell**

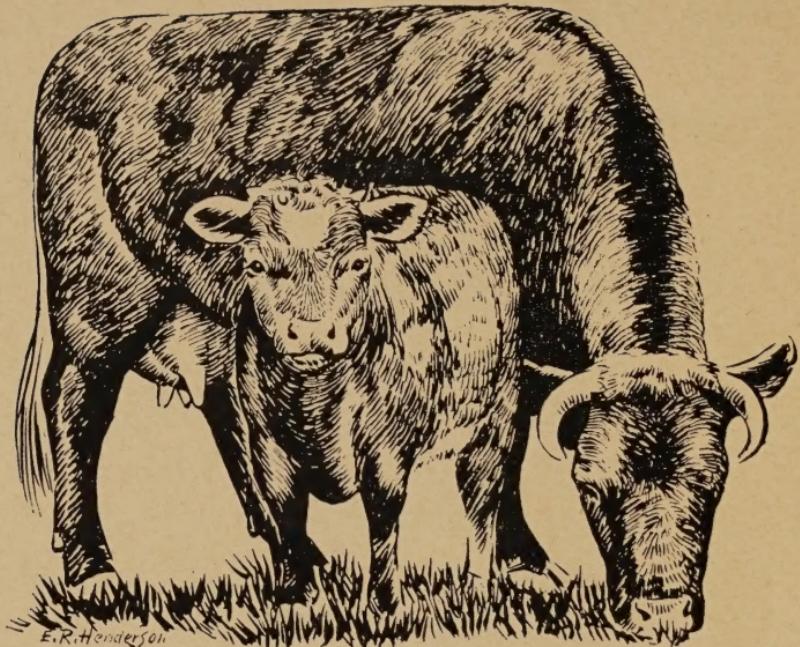

**From the Reputation**

**Ed Morris and Sons Herd**

**Aledo, Illinois**

Use a Shorthorn bull on your commercial herd. Shorthorn bulls sire faster gaining calves that are less susceptible to disease, that are more docile, that will put on gains efficiently and smoothly to assure greater profits for you.

The trademark of a good Shorthorn and Polled Shorthorn cow is that husky calf at her side. Shorthorn cows give more milk, consequently their calves always weigh more at weaning time . . . an important consideration for those of you selling feeder calves.

BELL-AIRE FLORENCE 11th — A good kind of a red heifer, that will mature into a cow with plenty of scale. Her mother is one of my better cows and a regular producer.

Carolyn Smith, Bloomfield, Iowa, holds her interbreed grand champion Short-horn steer at the Davis County Fair. This calf was bred by E. G. Bell, Farmington, who has a bull and two top heifers of this same breeding in this sale.
